(b) Penalty for Non-possession. The penalty provision in section 17(4) of the Maritime Law shall also apply where a Master has allowed any function or service in any capacity, required to be performed by a person holding an appropriate certificate of competency, to be performed by a person not holding the required certificate, a valid dispensation or having the documentary proof required by Regulations of the International Convention on Training, Certification and Watchkeeping, 1978, as amended, and as established by the Commissioner or Deputy Commissioner of Maritime Affairs.

(2) Seafarer’s Identification and Record Books.

(a) Requirements. Each person employed on board a Liberian vessel, other than those persons such as certain hotel staff personnel on passenger vessels who are not assigned or required to perform ship safety or pollution related shipboard duties, shall have in his or her possession an official Liberian Seafarer’s Identification and Record Book, issued by the Commissioner or Deputy Commissioner in accordance with the International Labour Organisation Convention No. 108, containing any certificates of special qualification issued to the holder by the Commissioner or a Deputy Commissioner, and in which all service at sea shall be entered and certified by the Master.

This penalty can only be imposed by the Commissioner or Deputy Commissioner.
(3) **Medical Certificates.** Each person employed on board a Liberian vessel shall be in possession of a physical examination certificate in the official form required by Liberia, or by another State Party to the International Convention Concerning the Medical Examination of Seafarers, and attesting the holder’s medical fitness for duty. The certificate must be signed by a medical practitioner licensed in the place of examination and issued not more than two years previous to the date of signing of the Articles of Agreement in force. Any seafarer who, following examination, is refused such a certificate may apply to the Commissioner or a Deputy Commissioner for leave to undergo a further examination by a designated medical referee independent of any shipowner or organization of shipowners or seafarers.

In urgent circumstances a person may be employed for a single voyage only without holding a currently valid official medical certificate.

(4) **Availability of Seafarer’s documents.** Shipowners and operators shall ensure that documentation and data relevant to each seafarer employed on board a Liberian vessel is maintained and readily accessible, and this shall include but not be limited to documentation and data in respect of the experience, training, medical fitness and competency in assigned duties of the seafarer.

   (a) If death resulted from the willful act of the seafarer;

   (b) If death developed directly from a condition which was intentionally concealed from the employer at or prior to engagement under the Articles;

   (c) If death was caused directly by war or an act of war, declared or undeclared. But this clause shall not apply if at the time of the act the vessel had entered a known zone of international hostility for the purpose of trade.

   (a) An incident of damage involving the vessel on which he sailed or the aircraft in which he was flying, or

   (b) An incident which otherwise points to the reasonable conclusions that the seafarer is dead, he shall be presumed dead and the direct compensation for loss of life shall become due and payable. Such presumption shall be rebuttable in a court of competent jurisdiction, and where the presumption is rebutted any such compensation paid shall be recoverable by the shipowner.

(5) **Shipowner’s Obligation.** The shipowner’s obligation to provide the benefit of direct compensation for loss of life shall arise at the earlier of the times indicated below:
(a) Upon signing on the Articles; or

(6) Termination of Obligation. The shipowner’s obligation to provide the benefit of direct compensation for loss of life shall terminate at the later of the times indicated below:

(a) Upon signing off the Articles; or

(b) When the seafarer has returned from his assigned vessel to his then place of residence or declared destination. For the purpose of this Regulation the seafarer shall be deemed to be employed or engaged on board the assigned vessel until he has reached his then place of residence or declared destination.

(7) Suspension of Obligation. This shipowner’s obligation to provide the benefit of direct compensation for loss of life shall be suspended:

(8) Seafarer’s Residence. Unless otherwise agreed in writing between the seafarer and the Master or the shipowner, the expression “residence” shall mean the seafarer’s home address as shown in the Articles.

(9) Beneficiaries.

(a) The compensation hereunder shall be paid to the seafarer’s designated beneficiary or beneficiaries, or in the absence of such designated beneficiary or beneficiaries, to his estate or to his personal legal representative.

(b) The designated beneficiary or beneficiaries shall either be entered in an appropriate space in the columnar entries of the Articles of Agreement or on a separate form to be provided by the shipowner.

(10) Other Death Benefits. The amount of the direct compensation payable under this Regulation shall be determined by aggregation and subtraction of any other lump-sum death benefits in favor of the seafarer, which are also provided or contributed to by the shipowner.
(11) **Satisfaction of Obligation.** The shipowner shall secure his obligation to provide a benefit of direct compensation for loss of life by any one or a combination of the following:

(a) A guarantee from a Protection & Indemnity Club approved by the Commissioner of Maritime Affairs, whereby the Club guarantees payment of the compensation hereunder; or

(b) A life insurance policy from an insurance company approved by the Commissioner of Maritime Affairs; or

(c) In lieu of the guarantee or life insurance, by depositing and maintaining at all times a payment bond from a bonding company approved by the Commissioner of Maritime Affairs, in an amount equal to Ten Thousand Dollars times the number of seafarers on the one vessel in his fleet with the largest number of seafarers; or

(d) Participation in an approved national scheme.

(12) **Certification.**

(b) If after five days the Master or officer in charge has been unable to resolve the matter, crew members shall have ten days thereafter to bring it through the Master or his appointee to the employer; or if the matter may be to the prejudice of the Master, then directly to the employer. The employer and the crew members shall have a period of twenty days therefrom to bring about a conciliation.
